The Art Spaces Directory is an international guide to the sites where contemporary art and artists are nurtured, interrogated and sustained. With detailed profiles of over 400 art spaces from 96 countries, this easy-to-use volume is a useful tool for artists, curators, students and the general public. In addition, it includes a series of essays and discussions contributed by Víctor Albarraacín, Reem Fadda and Christine Tohme, Stefan Kalmár, Naiza H. Khan, Catalina Lozano, Elaine W. Ng and tranzit.org.
