Huang Yong Ping - Chinese Hand Laundry & Chen Zhen - Field of Waste is made possible by L'AFAA (Association Francaise d'Action Artistique), the French Ministry of Foreign Affairs, Continuing Education for French Abroad Department and the Cultural Services of the French Embassy in New York, Pei-Yuan Han, The Starr Foundation, and Frank & Michael Spinner - Spinner Industries, Inc. Generous support was also provided by the National Endowment for the Arts, the New York State Council on the Arts, and by members of the Director's Council of The New Museum of Contemporary art. The documentary film, *Dialogues* (working title), was funded and directed by Lana Pih Y. Jokel.

Support for the Window on Broadway and other projects presented through the On View Program was provided by the National Endowment for the Arts and by The New Group of The New Museum of Contemporary Art. Additional support for the installation by Atsushi Nishijima was provided in part by Ikkan Sanada. Additional support for the installation by Cindy Tower was provided in part by Giant Photo.

On view May 6 through August 7, 1994.
